Junior (entry-level) Front End Developer

PROFESSIONAL SUMMARY

I worked and have gained experience in several public or private companies in resource management, and administration.

I am known for being a detail-oriented, well-organized team member, never missing deadlines.

I am a good communicator and I can deal with multiple tasks at once.

Today I have knowledge of the basics of web development and I am also interested in technologies. I am also interested in cloud systems.

My goal is to find a position in a company where I can grow professionally and accept new challenges over time.
